Business:

- Parent Pledge Violation...
 - Manheim Twp. enforces a Zero-Tolerance rule for abusive language and/or behavior. 1st offense...leave area. 2nd offense...leave field permanently, report is filled out and filed with club. Refusal to leave...game is suspended or forfeited, local law enforcement called. Officials, alone, or with coaches assistance, determine offenses and enforce policy. Something for DYS to consider adopting!
- Michele moved to reimburse Scott and Terry \$240 for Advanced Functional Coaching Methodology Clinic in North Carolina plus \$200 for room stay (2 nights). Adopted.
 - DYS will put some type of policy in place that assists coordinators in expanding their training and/or education for the benefit of the club while limiting expense reimbursement. Each case will ultimately be brought before the board and approved on individual basis, but it is agreed that some rules and guidelines should be established to allow for extra reimbursements without opening Pandora's box.
- First Aid/CPR classes: getting more info.

- Spring registration dates: tentative...Sat. Jan. 24 from 9-12am, Thurs. Jan. 29 from 6-8pm, and Sat. Feb. 7 from 9-12am.
